**O R D E R : -**

The Commissioner and Special Officer, Greater Hyderabad Municipal Corporation, Hyderabad in the letter read above has stated that HUDA has taken up the development of Ring Road from Rethi Bowli Junction, Mehdipatnam to Aramgarh Junction along with the construction of P.V. Narsimha Rao Express Flyover. The flyover work is in progress and road is widened to an extent of 30 meters. He has also stated that as instructed by Government to develop road to the extent of Right of way i.e., 45 mts keeping in view the heavy volume of traffic plying on this main connectivity road to the recently opened New International Airport. Further, there is frequent and considerable traffic congestion on this road caused due to movement of heavy vehicular traffic such as Trucks etc., as this being the ring road connecting NH7 & NH9. If the road is not widened there is possibility of encroachment and later on it will pose a severe problem and lead to traffic congestion on this important Road. Hence in order to ease the traffic flow it was felt necessary to further widen the road on either side of existing road and form service roads which will serve the purpose of effective connectivity for the sub arterial roads for the local traffic without interfering with the heavy vehicular traffic movement along the ring road.

2. He has also stated that proposals were prepared for widening of the Road to the total extent of right of way i.e., 45 mts from Rethi Bowli Junction, Mehdipatnam to Aramgarh Junction covering a length of 10kms with the formation of service roads, SW Drains, Utility Ducts etc., on either side with an estimated cost of Rs.61.30 crores and it is proposed to take up the work on EPC (Engineering Procurement and Construction) basis.

3. The cost of the proposal shall be met from Greater Hyderabad Municipal Corporation Funds and the Standing Committee, Greater Hyderabad Municipal Corporation and General Body, Greater Hyderabad Municipal Corporation vide Standing Committee Resolution No.467, dated 24-07-2008 and General Body Resolution No.108, dated 24-07-2008 have approved and recommended to the Government.

P.T.O.

4. In order to save time, it is proposed to call for tenders on EPC pending receipt of orders of administrative sanction from the Government.

5. The Commissioner and Special Officer, Greater Hyderabad Municipal Corporation, Hyderabad has, therefore, requested to issue necessary orders.

6. Government after careful examination of the matter hereby accorded administrative sanction for an amount of Rs.61.30 cores (Rupees sixty one crores and thirty lakhs only) for widening of the Road to the total extent of right of way i.e., 45 mts from Rethi Bowli Junction, Mehdipatnam to Aramgarh Junction covering a length of 10kms with the formation of service roads, SW Drains, Utility Ducts etc., on either side. The action of the Commissioner and Special Officer, Greater Hyderabad Municipal Corporation, Hyderabad in having called for tenders is also ratified.

7. The Commissioner and Special Officer, Greater Hyderabad Municipal Corporation, Hyderabad shall take further necessary action in the matter accordingly.

(BY ORDER AND IN THE NAME OF THE GOVERNOR OF ANDHRA PRADESH)
